Re: Founder's Day

Dear Club Officers,

This year marks the 46th Anniversary of our District's Kiwanis Cal-Nev-Ha Foundation, which was organized on November 4, 1965. As a way of celebrating the vision of our founders, your Foundation is requesting each club participate with a Founder's Day gift to the Foundation.

Your club's gift will assist the Foundation in continuing such programs as our Pediatric Trauma Program, which is making a difference and saving children's lives in our District. Your gift will also support the Foundation's efforts to provide grants to clubs throughout our District to fund innovative projects in their communities. Last year, your Foundation awarded more than \$48,000 in grants to Kiwanis clubs and \$131,000 to our partner hospitals. The Foundation provided \$120,288 in scholarships to members of Key Club and Circle K and granted \$43,000 to support the training of our young leaders in Key Club and Circle K. Your Founder's Day gift will significantly influence our ability to continue to support these programs and make a difference in the communities we share.

The Board of Directors is extremely proud of our Foundation's growing impact, which is possible only because of the generous support from our Kiwanis clubs and individual Kiwanians. We ask you to continue your support with a \$3.00 per member donation (25 cents per member per month!) or a maximum of \$150.00 per club. Please mail your contribution to the Foundation office at the address above. The Foundation will be delighted to present your club with a banner patch, signifying your participation. In addition, your club's contribution of \$100 or more will earn 20 points toward the 2011-2012 Distinguished Club award.

Thank you for your support of our District Foundation. Should you have any questions regarding Founder's Day or any other program the Kiwanis Cal-Nev-Ha Foundation provides, please don't hesitate to contact the Foundation office or myself.

Yours in Kiwanis Service,

Patrick A. Liddell
