## Purpose ~

Past Governor Kenneth C. Forrer, M.D., established a scholarship fund in 1980 to assist students that are members of Kiwanis Service Leadership Programs (SLP) in the California-Nevada-Hawaii District of Kiwanis. It is now an integral part of the Kiwanis Cal-Nev-Ha Foundation.

Financial assistance is given to a selected number of students who have demonstrated exceptional leadership, service to their school and community, academic ability and have been active members of a Key Club, KIWIN'S or Circle K club. They must plan to continue their education by attending a college or university, or by attending a trade or vocational school.

The objective of the Foundation's Scholarship Committee is to develop a fund that will produce an annual income great enough to offer an ever increasing number of our students financial assistance as they seek higher education. To achieve this requires the continued support of Kiwanians and Kiwanis clubs throughout the District.

Through individual and club donations, your Foundation is able to provide approximately \$75,000-\$100,000.00 in scholarships annually to assist students in their quest towards a higher education, helping them become the leaders of tomorrow.

## Service Leadership Programs ~

Kiwanis Service Leadership Programs (SLP) include student groups in elementary, middle and high schools as well as colleges. Scholarships are available for members of our high school and college sponsored groups through the Kiwanis Cal-Nev-Ha Foundation Scholarship Fund.

## How the Fund is Supported ~

Financial awards made from the Scholarship Fund are derived from the interest earned from the principal of our District Foundation Scholarship Fund and from direct contributions received from our Kiwanis clubs, individual Kiwanians and friends of the Cal-Nev-Ha Foundation. Additional amounts are received each year from projects and events conducted by SLP clubs throughout the District.

## Friends of the Foundation ~

Individuals or Kiwanis clubs may become "Friends of the Foundation" with a \$100 gift to the Kiwanis Cal-Nev-Ha Foundation which assists the Foundation in increasing the number of scholarships awarded each year. A beautiful plaque is presented with subsequent annual tabs as a reminder of the personal investment you are making in our students. Friends of the Foundation anticipate contributing to the Foundation on an annual basis; however, yearly contributions are not required. When an annual donation is made, a dated tab is sent to the donor to be added to the plaque.

Clubs and individuals may also make a one-time donation of any amount. Any donation to the Scholarship Fund may be designated to a specific SLP organization scholarship fund.
